

2016 Untapped Music Festival

Townsquare Media presents Untapped Music Festival at Benton County Fairgrounds!!

Food Vendor Rules and Application.

This is a great opportunity to promote your business at a well recognized and fun event!

Last year was a great success! With the addition of extra performance stages for country and rock music we have created a feel good atmosphere for a fun evening. Untapped is the largest outdoor music festival for everyone held in the Tri Cities.

If you are planning to be a food vendor at this year's festival, remember that all items should be sold at a reasonable price and amount, to allow public the chance to see all items available for sale and try several food items throughout the day. Please price items accordingly and also make your items in easy to pay increments to minimize making change.

NOTE! – Water CANNOT be sold by any vendors: The event charity “Girls on the Run” of Southeastern Washington will be selling ALL bottled water at the 2016 Untapped Music Festival.

A \$2 million dollar insurance coverage is required by Benton County and Townsquare Media for all vendors. If you do not have an insurance rider at this level then it must be purchased prior to the event to participate, insurance information can be found at the end of this application. Having trouble with your insurance provider about event insurance?

We have collected a few informational tools for vendors to use if they are having trouble with their insurance.

Troubles include:

****Rates to high**

****Payment to high**

****No insurance coverage ordered yet**

**** Insurance will not cover all parties.**

If you're having an issue please contact one or all of these insurance providers and get a quote for your personal booth, they often will have deals for a 1 to 3 day event insurance, prices vary depending on your booth and needed coverage.

One day event policies are certainly going to be cheaper but they are, as it states, only in use for one day only, after this specific date the insurance coverage will be void, and new coverage will need to be purchased for future events.
